- increased loyalty

TELL ME ABOUT

emotional intelligence

While some aspects of work are logical, many are not.

Emotional intelligence lets people understand how people really work, and we've shown companies how since 1997.

**Emotional Intelligence is "being smarter with feelings."
It's measurable, learnable, and valuable.**

HOW CAN WE

create value with EQ Biz

by  sixseconds

1

learning programs

Build awareness and skills with tested, effective learning programs

SCIENTIFIC | GLOBAL | PRACTICAL

emotions drive people people drive performance

In times of uncertainty, you need emotional intelligence to support your people and create value. EQBiz delivers.

We strengthen the people-side of performance by integrating emotional intelligence everywhere.

Organizations all over the world use Six Seconds EQBiz tools and methods to create company cultures where people thrive. From FedEx to Amazon to the United Nations, we partner with organizations to identify and implement actionable, research-backed solutions to their most pressing problems.

A best-in-class process to bring EQ concepts to life.

- **Cynthia Ng, SVP Learning and Development, HSBC**

Probably the best training course I have ever attended in 25 years of business.

- **James Dewar, Director, RMD Kwikform**
