ITALIAN TRADE AGENCY

ITA - Italian Trade Agency is the Governmental agency that supports the business development of our companies abroad and promotes the attraction of foreign investment in Italy.

With motivated and modern organisation and a widespread network of overseas offices, ITA provides information, assistance, consulting, promotion, and training to Italian small and medium-sized businesses. Using the most modern multi-channel promotion and communication tools, it acts to assert the excellence of Made in Italy in the world.

The network. Through its headquarters in Rome, an office in Milan, a global network of 69 offices and 18 correspondence points in 74 countries linked to Italian embassies and consulates, the Italian Trade Agency provides information, assistance, promotion, training and co-operation in the industrial, consumer goods and services sectors. The Italian Trade Agency collaborates with Italian regions, Chambers of Commerce, Industry and Trade Associations and other public and private organisations.

Every year, ITA worldwide offices carry out hundreds of promotional projects and provide personalised services and assistance to thousands of Italian companies. The Italian Trade Agency also assists and supports foreign companies that want to establish or expand business and trade relations with Italian companies or to invest in Italy.

The main services offered to Italian companies by the Italian Trade Agency to increase the flow of exports and investments between Italy and the rest of the world are:

- information and assistance
- identification of commercial partners
- visits to international trade shows and industrial districts
- support for investments abroad

For over twenty years, **Gelato e Cultura Srl** has organised the Gelato World Cup, a biennial event now in its eleventh edition. Gathering twelve finalist teams from global selections, the competition unites food and beverage professionals to celebrate excellence in artisanal gelato.

Committed to highlighting Italian tradition, fostering culinary professionalism, and promoting international collaboration, the organisation continuously champions high-quality ingredients and regional heritage.

Products

The Gelato World Cup, a collaborative project with SIGEP WORLD, is the sole global team competition for artisanal gelato. The championship celebrates technique, creativity, and culture, culminating in a final in Rimini. The journey features upcoming continental selections: SIGEP Asia in Singapore (July 2026), SIGEP WORLD in Italy (January 2027), and a selection in Argentina (June 2027). Each multidisciplinary team comprises a gelato chef, a pastry chef, and a chef, led by a Team Manager.
