*Ogni sforzo e' stato compiuto per assicurare che l'elenco fosse il piu' completo possibile, non si garantisce tuttavia che esso includa tutte le imprese operanti in Corea. Le informazioni sulle imprese italiane sono state raccolte in base ad un apposito sondaggio, i dati sono stati quindi forniti direttamente dalle aziende in Italia o dalle loro filiali. L'elenco delle aziende coreane presenti in Italia, invece, e' stato fornito dall'ufficio di Milano del Kotra (omologo coreano dell'ICE).*

*Every effort has been made to assure that the list is the most complete possible, it is not guaranteed nevertheless that it includes all the Italian companies based in Korea. The information on the Italian companies have been directly provided by the firms in Italy or from their branch offices. The list of the present Korean firms in Italy, instead, has been provided by the Milan Office of Kotra (homologous Korean of the ICE).*
