**HOW TO USE:**

You can use Carisma on a daily basis.

Close your eyes, take a deep breath: breathe in slowly through your nose, allowing your chest to rise as you fill your lungs. Now breathe out slowly through your mouth. Let go of any negative thoughts or concerns. Repeat this breathing exercise until you feel completely relaxed, only then you will be ready for your wellness and beauty ritual.

Apply Carisma on your wet hair, massage your scalp using your fingertips and performing circular movements.

Let it work for for a few minutes, then rinse it off.

Delicately dab your hair with a dry towel.

Let your hair dry naturally or set your hair dryer at medium temperature.

(Ideal after an intense work out).
