MINIMAL CHIC

L'ambiente luminoso e total white si riflette in un gioco di specchi dove le linee essenziali, ispirate a geometrie curve, e la finitura in oro spazzolato della rubinetteria diventano protagoniste dello spazio. Disponibile in numerose versioni, AQUA propone un fascino minimal chic di estrema raffinatezza e stile.

The total white and bright environment is reflected in a juxtaposition of mirrors where the essential lines, curved geometries and finishes in brushed gold of the kitchen and bathroom taps become the focus of the living space they decorate. Available in several versions, AQUA offers a minimal chic appeal that is highly sophisticated and stylish.
