DESIGN FUNZIONALE

Functional design

L'originale design con manopole a croce e il sistema a risparmio d'acqua fanno di T CROSS un prodotto che coniuga innovazione ed estetica. Gli accessori sono dettagli che ispirano uno stylish mood contemporaneo declinabile secondo diverse interpretazioni abitative.

The original design with cross knobs and the water-saving system make T CROSS a product that skilfully combines innovation and aesthetic appeal. The accessories are details that inspire a stylish contemporary mood which can be customised to fit your particular furnishing style.
