## CACIKA BUTTER

EXTRA MOISTURIZING  
AND  
REPAIRING EFFECT

## Properties

Protective and reparative treatment for areas of the body that are particularly dry, reddened, chapped, irritated. Based on Hemp oil, Cistus, Shea butter, and other active plant ingredients, it deeply hydrates and soothes with an immediate effect, leaving the skin soft and elastic.

Please note that being a butter, it is not designed to absorb quickly, and as a result, it may leave the skin slightly oily.

## Indications for use

Excellent for:

- hands
- lips
- face
- heels and feet
- elbows
- any reddened and/or flaky areas of the body
- all skin types, including the most sensitive skin of children and infants

## Mode of use

Apply a small portion directly to the affected area.

Massage gently
