## Collection description:

Inspired by the force of the nature, Inclusioni is an encounter between contemporary aesthetics and timeless elegance.

In the Classico collection, new shades with a strong visual impact model and condition the surfaces. The timeless expressiveness of color meets the potential of the deep and material thickness, overflowing with perspectives and meanings: the full-body ceramic confirms its versatility, paving the way for multiple applications. Between vintage accents and classical references, Inclusioni Classico's eclectic character adapts to different styles of interior design, fitting with elegance and personality into modern and contemporary settings, to whom it lends a timeless and refined elegance.
