

PANAFE

New ULTRA-COMPACT Line for PAPER PODS
ALLFREE® 12V/24V

MECHANIC Model

ULTRA-COMPACT Line for PAPER PODS

ALLFREE® 12V / 24 V

Product Description:

- Espresso Coffee Machine for ESE Ø44 mm PAPER PODS (Ø38 mm Optional)
- NEW MECHANIC, ULTRA-COMPACT & ENERGY SAVING Model - WITHOUT using INVERTER
- Specifically designed to be used on various types of vehicles such as: Campers, Trucks, Boats, Buses, Trains, Cars, etc.
The Ultra-Compact Stainless Steel structure has been adapted for safe use in limited spaces even during transfers or in case of unstable support surfaces
- Removable Inner water tank with inspection lid & specific interlocking closure
- Anti-Vibration Cup-Blocker Clip
- Safety suction cups, for additional support on any type of surface
- Frontal Voltage-indicator to directly measure the input voltage
- The possibility to use the machine WITHOUT INVERTER allows a significant saving in both consumption and battery autonomy (in case other electrical appliances too are in operation), without the risk of creating electrocution phenomena
- Removable water tank & drip tray for an easy accessibility for interventions, cleaning & maintenance

Technical Data:

- Espresso Coffee Selection
- Power Supply: 12V - 14 Amp / 24V - 7 Amp
- Rated Power: 168W
- 12V/24V Glow-wire, vibration & fire-retardant Pump MADE IN ITALY
- Pump Power: 48W / Max. Pressure: 15 Bar
- 85°C & 90°C Temperature Thermostats
- Safety Thermofuse 135°C
- Food Grade Aluminium Heat-Exchanger
- "Quick-Release" protection fuse, calibrated 20A-12V / 12A-24V
- Specific accessories for safe use in any surface and situation:
 - Anti-vibration Cup-blocker Clip
 - Frontal ON/OFF Button & Voltmeter
 - Suction cups for fixing the machine to the support surface
 - Inner Water Tank with double inspection lid
- Coffee Machine body in Stainless Steel
- Water Tank Capacity 650 ml
- Power Supply Cables: N.2 Single core cables with 4mm. square section
with final eyelets - Length 1.50 m
- Product Size: (LxWxH) mm 175x275x260 - Packaging (LxPxH) mm 210x365x300
- N.W.: 5.60 Kg / G.W.: 6.60 Kg

Optional:

- POD-SUPPORT filter Ø38mm.
- Male ADAPTER for 20A Cigar Lighter

Available Colors:

- Satined Stainless Steel Front Cover - Black Painted Stainless Steel Body
