USER EXPERIENCE

Quad-Core CPU 22" touchscreen panel, 1920x1080 full HD for an e-commerce-like user experience.

The screen provides a menu where the consumer can browse product descriptions, promotional images and videos.

SHUTTLE DELIVERY SYSTEM

Our internal shuttle gently delivers any kind of items in the drawer placed to the right of the window, thus leaving more space for your products.

A robotic arm moves the shuttle to the needed positions to collect every single item, providing an entertaining shopping experience.

Side photosensors recognize which product has been moved.

PATENTED DISPENSING SYSTEM

Magex vending machines boast unprecedented flexibility in managing very different items.

Our Conveyor patented dispensing system fits any kind of product, also combining adjacent lanes to move larger products.

End-user can easily customize lanes setup to manage effectively any size and shape item to sell.

Moreover, interlocking partitions keep items separate into the same lane.

Our advanced multi-function self-diagnostic tool performs a continuous system health check, starting from lanes operation status before each delivery up to a full system reboot if needed.

DATA SHEET

Width	1374 mm
Height (with cooling system)	2121 mm
Depth	945 mm
Withdrawal area	225x230 mm
Max number of shelves	8
Shelf lanes	9
Minimum temperature	2 ÷ 4 °C
Lift dimensions	380x228 mm
Screen size	22"
Required power	800W
Weight	350 Kg

MAGEX DRAWER

- Magex patented transport system since 2006
- It adapts to every type of product, also allowing you to join adjacent aisles to handle larger products both in width and depth
- easily configurable at any time without the need for mechanical tools
- Variable weight patent option to sell products in the same aisle with different weights

PUSH DRAWER

- Innovative solution for dispensing bottles and cans
- Quick loading thanks to the hooking system
- Adaptable in width for non-standard products

SPIRAL DRAWER

- The standard reference in the market
- Interchangeable spirals with various pitches, offering flexibility in product arrangement
- Ideal for distributing a wide range of products (ideal for snacks)

ROOF AND VANDAL PROTECTION

- The metal roof provides rain and weather protection for outdoor products
- Additional 10 mm lexan door: extra security with vandal-resistant opening door

video
