

DYNAMIZED WATER FOR FACE 150ML

Restructure your skin deeply

Dynamized Water is a revolutionary, highly moisturizing cosmetic spray for restructuring the skin deeply.

Thanks to advanced technology, it contains codes in its "memory" that communicate and inform the molecules of water of your skin. These codes are about turgor, smoothness, brightness and hydration of the dermis.

The skin is galvanized and deeply refined.

India's Fico oil, rich in vitamins and omega 3 and 6 fatty acids, regenerates the incarnate and Star Alpina stimulates collagen production from inside and has firming effect.

Suitable for all skin types, Dynamized Water for Face is designed to be used individually or mixed with other Domino products.

The results are visible from the first application.

Nickel tested <1ppm

It does not contain parabens

Some Tips on how to use "Dynamized Water " :

- 1.It can be applied under or over the make-up layer to obtain an illuminating and more persistent effect of the make-up.
2. It is useful and practical after any sports.
3. Also recommended for male beard skin because is an excellent anti-aging effect and it makes the beard easier to comb and the nebulizing spray is able to penetrate the underlying skin (among its mild antifungal and antibiotic ingredients)
