SASSANO®

la Natura del Molise
www.caseificiosassano.it

The history of the Sassano family starts in Molise and from there, the journey of the quality of our tasty dairy products begins.

Our products

All the flavor and expertise of Molise

In this small and generous region, nature offers unique ingredients for our products: pure mountain water, light with low sodium concentration, lush pastures and ancient cattle tracks, traditions tied to agriculture and stock breeding.
