

EYE CONTOUR CREAM – Airless bottle 0.5 fl.oz/15 ml

This eye contour cream is designed to fortify the delicate area around the eyes. Its rare formula combines Tripeptides, stem cells from red chili, natural active extracts acting effectively on puffiness and dark circles, Amazonian oils and butters and guarana's extract.

KEY INGREDIENTS:

DIPEPTIDE DIAMINOBUTYROYL BENZYLAMIDE DIACETATE (technological): Anti-age. A tripeptide reducing wrinkles and smoothing fine lines with its refining power.

P-CELL (biotechnological): Firming Stem cells from red chilli, toning and improving elasticity of the skin. It stimulates skin metabolism.

BIOSKINUP® CONTOUR 3R (natural): Against bags and dark circles Highly effective active ingredients in preventing puffiness and dark circles, with anti-ageing properties.

AÇAÍ (natural): Antioxidant. Moisturizing and super-nourishing anti-ageing oil, rich in anthocyanins, Omega 3, 6, 9, vitamins A, B, C, E, amino acids, minerals, polyphenols, phytosterols. Its high antioxidant properties prevent the formation of free radicals. Açai oil increases skin complexion and vitality thanks to the synergy of its bioactive substances contained in quantities 10 times higher than those contained, for example, in red grapes.

BRAZIL NUT (natural): Nourishing. Soothing and nourishing oil, rich in vitamins B, C, E, selenium, magnesium, zinc. Antioxidant.

It also contains beta-carotene that, together with vitamin, E increases the production of collagen, making the skin smooth and toned.

ANDIROBA (natural): Regenerating. Oil with nourishing, soothing, regenerating, and renewing properties, rich in essential fatty acids and Omega 3 and 6 and also contains amounts of myristic, stearic and palmitic acid.

MURUMURU (natural): Elasticity. It is a great natural skin care product boasting high cosmetic properties. It is a strong vitamin A concentrate, making it an exceptional antioxidant product. Rich in vitamin F, and essential fatty acids (oleic and linoleic) with emollient properties. It also contains additional essential lauric- myristic- palmitic- stearic- capric and caprylic acids, which keep the skin resilient and hydrated, but not greasy.

CUPUAÇU (natural): Moisturizing. Fast-absorption moisturizing butter increasing elasticity of the skin. It contains skin-like lipids, vitamins A, B, C, polyphenols, flavonoids, minerals, iron, calcium, potassium, selenium, essential fatty acids and antioxidants. It improves the skin barrier.

GUARANA (natural): Draining. From its seeds, valuable extracts are obtained with essential active ingredients, such as coffee and tea containing caffeine, used in cosmetics for its high lipolytic and slimming action. Rich in polyphenols and other beneficial substances such as tannins, vitamins and mineral salts, it is a great anti-wrinkle agent and improves the peripheral circulation of tissues and epidermis. Guarana extracts have a revitalizing and anti-oxidizing effect and anti-age properties.

HOW TO APPLY

Apply in the morning and in the evening: to smoothly massage the eye contour area several times: from the inside to the outside. Avoid contact with eyelids and lacrimal ducts.

Suitable for all skin types. EXTERNAL USE

INGREDIENTS: AQUA (WATER), GLYCERIN, GLYCERYL STEARATE CITRATE, BERTHOLLETIA EXCELSA (BRAZIL NUT) SEED OIL, ALOE BARBADENSIS LEAF JUICE, CETYL ALCOHOL, EUTERPE OLERACEA (ACAI) FRUIT OIL, LIMNANTHES ALBA (WHITE MEADOWFOAM) SEED OIL, ASTROCARYUM MURUMURU (MURUMURU PALM) SEED BUTTER, CARAPA GUAIANENSIS (CRABWOOD) SEED OIL, THEOBROMA GRANDIFLORUM (CUPUAÇU) SEED BUTTER, TOCOPHERYL ACETATE, CAPRYLYL/CAPRYL GLUCOSIDE, CAPRYLYL GLYCOL, DIPEPTIDE DIAMINOBUTYROYL BENZYLAMIDE DIACETATE, RUSCUS ACULEATUS (BUTCHER'S-BROOM) ROOT EXTRACT, HYDROLYZED GLYCOSAMINOGLYCANS, PFAFFIA PANICULATA (SUMA) ROOT EXTRACT, PTYCHOPETALUM OLACOIDES (MUIRA PUAMA) BARK/STEM EXTRACT, EUTERPE OLERACEA (ACAI) PULP POWDER, CAPSICUM ANNUUM (CHILLI PEPPER) FRUIT MERISTEM CELL, 1,2-HEXANEDIOL, LILIUM CANDIDUM (WHITE LILY) FLOWER EXTRACT, PAULLINIA CUPANA (GUARANA) SEED EXTRACT, SODIUM BENZOATE, XANTHAN GUM, POTASSIUM SORBATE, LECITHIN, CITRIC ACID, TOCOPHEROL, BENZYL ALCOHOL, ASCORBYL PALMITATE, TROPOLONE.

24H FACE CREAM – Airless bottle 1.7 fl.oz/50 ml

Highly recommended for donating a natural 24 h face cream moisturizing, emollient and nourishing.

Effective all day, helps protect the skin from the aggressions of external agents, making it soft and velvety. It is ideal as make-up base and can be used at any time when you feel the need for hydration.

KEY INGREDIENTS:

FRAGMENTED HYALURONIC ACID (biotechnological): Anti-ageing ingredient, with a filler effect and enriching properties, improving elasticity of the skin. It has a deep moisturizing effect due to its low molecular weight.

HYALURONIC ACID (biotechnological): Anti-ageing ingredient, with a filler effect and enriching properties, improving elasticity of the skin. It moisturizes the upper layer of the skin due to its high molecular weight.

P-CELL (biotechnological): Stem cells from red chilli, toning and improving elasticity of the skin. It stimulates skin metabolism.

ASTAPLANTON HA® (natural): Component rich in natural Astaxanthin - the most powerful antioxidant found in nature. It protects the skin from the aggression of external agents (UVA and UVB rays, pollution...) and combats the action of free radicals, reducing wrinkles and age spots.

AÇAÍ (natural): Moisturizing and super-nourishing anti-ageing oil, rich in anthocyanins, Omega 3,6,9, vitamins A, B, C, E, amino acids, minerals, polyphenols, phytosterols. Its high antioxidant properties prevent the formation of free radicals. Açai oil increases skin complexion and vitality thanks to the synergy of its bioactive substances contained in quantities 10 times higher than those contained, for example, in red grapes.

BRAZIL NUT (natural): Soothing and nourishing oil, rich in vitamins B, C, E, selenium, magnesium, zinc. Antioxidant. It also contains beta-carotene that, together with vitamin E increases the production of collagen, making the skin smooth and toned.

ANDIROBA (natural): Oil with nourishing, soothing, regenerating, and renewing properties, rich in essential fatty acids and Omega 3 and 6 and also contains amounts of myristic, stearic and palmitic acid.

MURUMURU (natural): It is a great natural skin care product boasting high cosmetic properties. It is a strong vitamin A concentrate, making it an exceptional antioxidant product. Rich in vitamin F, and essential fatty acids (oleic and linoleic) with emollient properties. It also contains additional essential lauric- myristic- palmitic- stearic- capric and caprylic acids, which keep the skin resilient and hydrated, but not greasy.

CUPUAÇU (natural): Fast-absorption moisturizing butter increasing elasticity of the skin. It contains skin-like lipids, vitamins A, B, C, polyphenols, flavonoids, minerals, iron, calcium, potassium, selenium, essential fatty acids, and antioxidants. It improves the skin barrier.

HOW TO APPLY : ☀️🌙

Apply cream every morning and evening on face: neck and the décolleté area in delicate, circular motions until completely absorbed. For booster action apply in combination with FACE OIL AMAZONIAN INGREDIENTS as extra antioxidant

Suitable for all skin types. EXTERNAL USE

INGREDIENTS: AQUA (WATER), ALOE BARBADENSIS LEAF JUICE, GLYCERIN, BERTHOLLETIA EXCELSA (BRASIL NUT) SEED OIL, POLYGLYCERYL-3 DICITRATE/STEARATE, ASTROCARYUM MURUMURU (MURUMURU PALM) SEED BUTTER, CETEARYL ALCOHOL, GLYCERYL STEARATE, GLYCERYL STEARATE CITRATE, HYDROGENATED ETHYLHEXYL OLIVATE, ETHYLHEXYL PALMITATE, CARAPA GUAIANENSIS (CRABWOOD) SEED OIL, THEOBROMA GRANDIFLORUM (CUPUAÇU) SEED BUTTER, CAPRYLIC ACID, CORN STARCH MODIFIED, TOCOPHERYL ACETATE, XANTHAN GUM, EUTERPE OLERACEA (ACAI) FRUIT OIL, HELIANTHUS ANNUUS (SUNFLOWER) SEED OIL, HYDROGENATED OLIVE OIL UNSAPONIFIABLES, CAPSICUM ANNUUM (CHILLI PEPPER) FRUIT MERISTEM CELL, EUTERPE OLERACEA (ACAI) PULP POWDER, SODIUM HYALURONATE, PARFUM (FRAGRANCE), CITRIC ACID, LECITHIN, XYLITOL, SODIUM PHYTATE, TOCOPHEROL, ASCORBYL PALMITATE, BENZYL ALCOHOL, HAEMATOCOCCUS PLUVIALIS EXTRACT, CITRONELLOL, ALPHA-ISOMETHYL IONONE.

RENEWING SERUM – Bottle 1 fl.oz/30 ml

This serum is designed for skins whose brightness has started to fade. Thanks to a combination of innovative and patented active ingredients, it improves the skin surface, helps to reduce the imperfections and gives skin a naturally even and bright aspect, full of life. It also performs an effective action against skin stains.

KEY INGREDIENTS:

REGENINE (biotechnological): A complex of vegetable extracts and BIOLIQUEFIED® from apple, lemon, red grape, bran, and AHA. It accelerates renewal of the skin and stimulates collagen production.

RETINOL CYCLOSISTEM COMPLEX ® (biotechnological): Cyclodextrins of vegetable origin have moisturizing properties and promote controlled release of Retinol (vitamin A), stimulating cell renewal and the synthesis of collagen, elastin, glycoproteins and hyaluronic acid.

P-CELL (biotechnological): Stem cells from red chilli, toning and improving elasticity of the skin. It stimulates skin metabolism.

GLYCACID (biotechnological): A precursor to the hyaluronic acid, it increases the penetration factor of active ingredients. It is composed by mucopolysaccharides precursors with high concentration of hyaluronic acid base monomer. The reduced molecular size promotes intradermal penetration, constituting a precious raw material source needed for the formation of hyaluronic acid, that is particularly suitable for water retention in the connective and therefore responsible for deep hydration. At the same time, it induces a permeability increase of the connective tissue, making it a crucial penetration mean of hydrophilic active principles, such as plant extracts.

ASCORBYL GLUCOSIDE (VITAMINA C) (natural): Natural vitamin C stabilized with glucose. It has antioxidant, clearing, and lightening properties.

AÇAÍ (natural): Moisturizing and super-nourishing anti-ageing oil, rich in anthocyanins, Omega 3,6,9, vitamins A, B, C, E, amino acids, minerals, polyphenols, phytosterols. Its high antioxidant properties prevent the formation of free radicals. Açai oil increases skin complexion and vitality thanks to the synergy of its bioactive substances contained in quantities 10 times higher than those contained, for example, in red grapes.

BRAZIL NUT (natural): Soothing and nourishing oil, rich in vitamins B, C, E, selenium, magnesium, zinc. Antioxidant. It also contains beta-carotene that, together with vitamin E increases the production of collagen, making the skin smooth and toned.

ANDIROBA (natural): Oil with nourishing, soothing, regenerating, and renewing properties, rich in essential fatty acids and Omega 3 and 6 and also contains amounts of myristic, stearic and palmitic acid.

CUPUAÇU (natural): Fast-absorption moisturizing butter increasing elasticity of the skin. It contains skin-like lipids, vitamins A, B, C, polyphenols, flavonoids, minerals, iron, calcium, potassium, selenium, essential fatty acids, and antioxidants. It improves the skin barrier.

HOW TO APPLY :

Apply evenly some drops of serum on face, neck, and the décolleté area in delicate motions to improve absorption. The serum should be applied preferably in the evening. Avoid contact with the eye area. Suitable for all skin types. EXTERNAL USE

INGREDIENTS: AQUA (WATER), GLYCERYL STEARATE CITRATE, GLYCERIN, BERTHOLLETIA EXCELSA (BRASIL NUT) SEED OIL, DICAPRYLYL CARBONATE, ALOE BARBADENSIS LEAF JUICE, ASCORBYL GLUCOSIDE, EUTERPE OLERACEA (ACAI) FRUIT OIL, HYDROXYPROPYL CYCLODEXTRIN, ARGININE, CARAPA GUAIANENSIS (CRABWOOD) SEED OIL, LIMNANTHES ALBA (WHITE MEADOWFOAM) SEED OIL, THEOBROMA GRANDIFLORUM (CUPUAÇU) SEED BUTTER, TOCOPHERYL ACETATE, CAPRYLYL GLYCOL, 1,2-HEXANEDIOL, HYDROLYZED GLYCOSAMINOGLYCANS, EUTERPE OLERACEA (ACAI) PULP POWDER, BUTYLENE GLYCOL, ALGAE EXTRACT, SODIUM BENZOATE, XANTHAN GUM, PARFUM (FRAGRANCE), CAPRYLIC/CAPRIC TRIGLYCERIDE, POTASSIUM SORBATE, CAPSICUM ANNUUM (CHILLI PEPPER) FRUIT MERISTEM CELL, RETINOL, CITRUS MEDICA (CITRON) LIMONUM EXTRACT, HYDROLYZED GRAPE SKIN, HYDROLYZED WHEAT BRAN, PYRUS MALUS (APPLE) FRUIT EXTRACT, TARTARIC ACID, CITRIC ACID, CITRONELLOL, ALPHA-ISOMETHYL IONONE, TROPOLONE, TOCOPHEROL.

FACE OIL – Bottle 1 fl.oz/30 ml

This sophisticated oil, firm in texture and yet light on the skin, is designed with a rich combination of Amazonian oils (açai, brazil nut, buriti), and apricot and almond oils.

This highly effective formula includes a synergic algae complex, *Porphyra Umbilicalis* (macroalga) and *Nannochloropsis oculata* (microalga) in milk thistle oil, and provides the principles needed for a bright and young skin. It stimulates both a nourishing and an antioxidant action.

KEY INGREDIENTS:

ALGOMEGA®NP (natural): Moisturizing. Synergic complex of algae, *Porphyra Umbilicalis* (macroalga) and *Nannochloropsis oculata* (microalga) in milk thistle oil, rich in Omega 3 and 6. Moisturizing and nourishing, it improves the function barrier of the skin and intra-cellular cohesion.

AÇAÍ (natural): Antioxidant . Moisturizing and super-nourishing anti-ageing oil, rich in anthocyanins, Omega 3,6,9, vitamins A, B, C, E, amino acids, minerals, polyphenols, phytosterols. Its high antioxidant properties prevent the formation of free radicals. Açai oil increases skin complexion and vitality thanks to the synergy of its bioactive substances contained in quantities 10 times higher than those contained, for example, in red grapes.

BRAZIL NUT (natural): Nourishing. Soothing and nourishing oil, rich in vitamins B, C, E, selenium, magnesium, zinc. Antioxidant. It also contains beta-carotene that, together with vitamin E increases the production of collagen, making the skin smooth and toned.

BURITI (natural): Nourishing. Buriti oil is red in color and is rich in vitamins A, C and E, but also of Omega 9, an essential fatty acid that promotes the regeneration of the epidermis, maintaining the natural hydration skin. Thanks to the presence of carotenoids, (it is the absolute oil with the highest concentration of carotenoids), it boasts strong antioxidant properties, which make it a valid ally against free radicals responsible for premature ageing.

APRICOT STONE (natural): Emollient. Oil with moisturizing, protective, and antioxidant properties, increasing skin elasticity, rich in essential fatty acids, in particular oleic and linoleic acids, vitamins A and E.

HOW TO APPLY :

After your cleansing routine, apply some drops of oil on face, neck and the décolleté area, massaging the skin until completely absorbed. Suitable for dry and normal skin. For booster action apply in combination with 24H FACE CREAM as extra antioxidant, or, for a GLOW effect, add two drops to the foundation.

External use. SUITABLE FOR DRY AND NORMAL SKIN

INGREDIENTS: BERTHOLLETIA EXCELSA (BRASIL NUT) SEED OIL, PRUNUS AMYGDALUS (ALMOND) DULCIS OIL, EUTERPE OLERACEA (ACAI) FRUIT OIL, DICAPRYLYL CARBONATE, SILYBUM MARIANUM (MILK THISTLE) SEED OIL, PRUNUS ARMENIACA (APRICOT) KERNEL OIL, MAURITIA FLEXUOSA (BURITI PALM) FRUIT OIL, TOCOPHERYL ACETATE, ALGAE EXTRACT, PARFUM (FRAGRANCE), CITRONELLOL, ALPHA-ISOMETHYL IONONE, TOCOPHEROL.

FACE SCRUB – Jar 5 fl.oz/150 ml

Innovative natural facial scrub with andiroba microgranules; exfoliates and smoothes while stimulating cell renewal: without irritating the skin. Its formula: rich in oils and butters of the Amazon gives the skin hydration: nourishment and protection.

KEY INGREDIENTS:

AÇAÍ (natural): Moisturizing and super-nourishing anti-ageing oil, rich in anthocyanins, Omega 3, 6, 9, vitamins A, B, C, E, amino acids, minerals, polyphenols, phytosterols. Its high antioxidant properties prevent the formation of free radicals. Açai oil increases skin complexion and vitality thanks to the synergy of its bioactive substances contained in quantities 10 times higher than those contained, for example, in red grapes.

BRAZIL NUT (natural): Soothing and nourishing oil, rich in vitamins B, C, E, selenium, magnesium, zinc. Antioxidant. It also contains beta-carotene that, together with vitamin E increases the production of collagen, making the skin smooth and toned.

ANDIROBA OIL (natural): Oil with nourishing, soothing, regenerating, and renewing properties, rich in essential fatty acids and Omega 3 and 6 and also contains amounts of myristic, stearic and palmitic acid.

ANDIROBA POWDER (natural): It is a natural exfoliating particle, designed to promote a revitalizing and stimulating, slightly abrasive effect. Gently removes dead cells and impurities.

MURUMURU (natural): It is a great natural skin care product boasting high cosmetic properties. It is a strong vitamin A concentrate, making it an exceptional antioxidant product. Rich in vitamin F, and essential fatty acids (oleic and linoleic) with emollient properties. It also contains additional essential lauric- myristic- palmitic- stearic- capric and caprylic acids, which keep the skin resilient and hydrated, but not greasy.

CUPUAÇU (natural): Fast-absorption moisturizing butter increasing elasticity of the skin. It contains skin-like lipids, vitamins A, B, C, polyphenols, flavonoids, minerals, iron, calcium, potassium, selenium, essential fatty acids, and antioxidants. It improves the skin barrier.

HOW TO APPLY: ☀️ 🌙

Apply on wet face and massage gently avoiding the eye area. Rinse thoroughly with warm water. External use. SUITABLE FOR ALL SKIN TYPES

INGREDIENTS: AQUA (WATER), PRUNUS AMYGDALUS (ALMOND) DULCIS OIL, CARAPA GUAIANENSIS (CRABWOOD) SEED POWDER, GLYCERYL STEARATE CITRATE, CETEARYL ALCOHOL, ASTROCARYUM MURUMURU (MURUMURU PALM) SEED BUTTER, THEOBROMA GRANDIFLORUM (CUPUAÇU) SEED BUTTER, BERTHOLLETIA EXCELSA (BRASIL NUT) SEED OIL, CARAPA GUAIANENSIS (CRABWOOD) SEED OIL, TOCOPHERYL ACETATE, CETEARYL GLUCOSIDE, EUTERPE OLERACEA (ACAI) FRUIT OIL, CAPRYLYL GLYCOL, 1,2-HEXANEDIOL, XANTHAN GUM, PARFUM (FRAGRANCE), CITRIC ACID, CITRONELLOL, ALPHA-ISOMETHYL IONONE, TROPOLONE.
