

ORIGYN COLOR CREAM

Hair colour with Keratin and Inca Oil: 73 shiny and intense nuances. Long lasting permanent colour. Perfect white hair coverage. The linseed extracts protects the hair structure and gives extremely brightness, leaving the hair silky and soft. Wash hair with ORIGYN Shampoo Post-Color

ORIGYN OXIDANT - Scented Cream Developer

The anti-inflammatory properties of Aloe Vera helps to protect the skin and hair during coloring and bleaching treatments while issuing a pleasant essence of the plant itself.

The developer is available in 1lt. packaging with the solutions 10 Vol, 20 Vol, 30 vol. and 40 vol.

COLOR SHAMPOO

ORIGYN COLOR SHAMPOO pH 4.0 specially formulated for color maintenance after dyeing.

Gently cleanses, gives shine, softness and prolongs the duration of the coloring. Silk proteins bind to the hair structure, strengthening it, hydrating it and protecting it from pollution and chemical treatments. How to use: Distribute about 10 ml of product on wet hair, massaging gently until a soft foam is obtained, then rinse thoroughly.

Repeat the application if necessary.

ORIGYN Color Shampoo is available in a 500 ml. packaging.

COLOR MASK

Moisturizing and restructuring mask for treated and colored hair. Silk proteins bind to the hair structure, strengthening it and protecting it from the aggressive agents of chemical treatments. ORIGYN COLOR MASK performs a polishing action on dyed and treated hair, renewing the color and giving extra shine.

How to use: After washing with ORIGYN COLOR SHAMPOO, apply the product on damp hair, evenly distributing it from the roots to the ends. Leave on for 2/3 minutes, then rinse with water only.

ORIGYN Color Mask is available in a 250 ml. packaging.
