

Semedorato[®] Beer

Premium Lager Blonde

Features and Technical information

A low-fermentation premium blonde beer, made from pure barley malt. Elegant and refined, with 5% alcohol content, it is characterized by a straw yellow color, a dense, compact and persistent foam, a full and aromatic taste, a delicate, not too predominant bitterness.

The quality and taste of Semedorato depend on the choice of refined ingredients, such as Sicilian barley, Madonie water and the selection of the best hops. On the nose, notes of malt, vanilla and wildflowers dominate. The flavor is very balanced, full and refreshing.

Classification: Premium

Plato degree: 11.5%

Alcoholic degree: 5.0% vol

Type: Lager

Taste: Full and aromatic

Bitter: Delicate, not too persistent

Color: Blonde, straw yellow

Foam: Compact and persistent

Fermentation: Low

Expiry: 12 months

Serving temperature: 5-6 C °

Storage: Protected from heat sources and direct light

CASE	33 cl	66 cl
