Bins with door fixing
Pattumiere con fissaggio alla porta

Our bins are fixed directly onto one cabinet side and through a patented system. The lid opens and closes automatically with the opening of the door. The bin therefore becomes easy to use and to extract, highly functional for use but also for cleaning. The rectangular shape gives a modern feeling to the product, adapting to all cabinet bases from 450 mm. 15 lt or two 7 lt bins are available.

I nostri cestini sono fissati direttamente ad un fianco del mobile e attraverso un sistema brevettato, il coperchio si apre e chiude automaticamente con l'apertura della porta. Il cestino quindi diventa di facile utilizzo, di semplice estrazione e altamente funzionale all'uso ed anche alla sua pulizia. La forma rettangolare dà un tono più moderno al prodotto adattandosi a tutti i mobili a partire dalla base da 450 mm. Disponibile con cestino da 15 lt o due da 7 lt.

Leave nothing to chance!
Even in the larger modules:
800 / 900 we take advantage
of all the tray space, also thanks
to the housing placed side-
by-side and behind the bin.
Detergents, sponges, bags...
an easy way to reorder everyday
products.

Nulla è lasciato al caso,
anche nei moduli più grandi,
800 / 900 sfruttiamo tutti gli
spazi del vassoio, anche grazie
alle vaschette posizionate
lateralmente e dietro gli alloggi
dei cestini. Detergenti, spugne,
sacchetti...
un modo semplice per riordinare
prodotti di uso quotidiano.
