

LINEA MAMMABABY® COSMOS NATURAL PRODUCT SHEET: BABY SOAP

Bath time becomes magic thanks to **Margherita**, the little girl-heart that sets off in search of her father's lost happiness. Baby Soap helps parents make daily cleansing a fairytale game for their children.

Baby Soap by Linea MammaBaby® is made with natural-origin cleaners and enriched with **hyaluronic acid** with moisturizing action, **glycerin** and extracts from organic- **calendula and olive**, particularly suitable for the cleansing of delicate and sensitive children's skin. Calendula calms redness and olive gives softness to the hands.

All products are **certified Cosmos Natural**, the world's most important standard for organic and natural cosmetics, and **recommended for children from the very first days of life**.
