

## LINEA MAMMABABY® COSMOS NATURAL PRODUCT SHEET: BABY BATH

Bath time becomes magic thanks to **Pasqualino**, the crazy little fish for sweets and gummy candies, which helps parents make daily cleansing a fairytale game for their children.

Linea MammaBaby® **Baby Bath** is a specific cleanser for delicate skin hygiene based on naturally derived surfactants and **extracts from organic agriculture of olive**, chamomile and vegetable glycerin with **moisturizing, emollient and refreshing properties**.

All products are **certified Cosmos Natural**, the world's most important standard for organic and natural cosmetics, and **recommended for children from the very first days of life**.
