

## LINEA MAMMABABY® COSMOS NATURAL PRODUCT SHEET: BABY SWEET ALMOND OIL

Bath time becomes magic thanks to **Guendalina**, the nice and tireless striped ball adventures companion of Margherita and Giacomino. Baby Sweet Almond Oil helps parents make daily cleansing a fairytale game for their children.

Linea MammaBaby® **Baby Sweet Almond Oil** is the specific soothing treatment for cleaning and massaging the skin of children or people with particularly sensitive skin. The fatty acids from almond oil are able to deeply hydrate even the driest and most chapped skin, restoring softness and, above all, elasticity.

All products are **certified Cosmos Natural**, the world's most important standard for organic and natural cosmetics, and **recommended for children from the very first days of life**.

### Charateristics:

- 100% of the total ingredients are of natural origin
- Cold-pressed sweet almonds, without adding chemical elements
- Recommended by A.I.M.I. Italian Association for Infant Massage

### Ingredients:

Prunus Amygdalus Dulcis (Sweet Almond) Oil

**Recommended price: €19,00**
