Active Ingredients

Blueberry extracts – Rich in anthocyanosides, polyphenols that act as protection factors for the blood vessels and normalizers of the permeability and fragility of the capillaries, this extract possesses, furthermore, antioxidant properties and shows good capability in promoting the synthesis of new collagen fibers.

Lavender essential oil – Relaxing and soothing, the lavender essential oil is one of the most recommended when there is the need to recover quietude and peace of mind. It's aroma can help distending the nerves and relax, so it can be useful in cases of exhaustion, nervousness, anxiety or particularly worried.

Hyaluronic acid - It performs multiple actions: moisturizes and gives tone, guaranteeing a massive amount of water to the skin; it smooths and minimizes the effects of time passing by reducing the evaporating processes that remove the dermis' moisture causing it to dry out.

Sugars complex – It strongly wires itself on the cherratin, creating a protective film of constant hydration. The complex sugars that form this active principle have the capability to bond several water molecules, this characteristic makes of it a hydration regulator for the skin, with the ability to create on it a sort of protective and moisturizing film.

Aloe vera- The gel obtained from the leaves of this plant, because of its high concentration of vitamins, minerals and substances that stimulate the immune system, has a moisturizing action, quicken the repair of the skin and soothe inflammations and sorenesses.

Panthenol - It stimulates the epidermis' regeneration, and plays a part in keeping the skin moisturized and flexible.

Allantoin - This mixture supports the creation of new epithelial tissue, thus exerting an important action in the restoration of damaged skin. It also has moisturizing properties, so it is particularly suited in the treatment of dry and faded skins.

Shea butter and sweet almonds oil – Both are considerably nourishing and elasticizing.

Trealose – This sugar absorbs humidity to guarantee a long lasting hydration.
