

smart stick multifunctional lip balm

CHARACTERISTICS

A "must-have" product with multiple functions. A nourishing infusion of organic waxes and vegetable oils that soothe, smoothen and guarantee moisture, firmness, and softness to the lips. The formula contains the Bio SuRice® brown rice sprouts for a soothing and regenerating action of the labial mucosa which becomes thinner over time. The DauVes-Crop® red carrot which provides protection against photo-ageing, is an antioxidant and anti-inflammatory, also in sensitive areas of the face like the cheekbones and nose, stimulating the natural microcirculation and preventing the appearance of wrinkles in the lip contour area. The soft, light texture and delicate fragrance also favour its use for men.

MAIN INGREDIENTS

Organic Rice Vegetable Oil, Organic Coconut Vegetable Oil, Candelilla Waxes, Carnauba Waxes, Organic Cocoa Butter, Dauves Crop-G® Organic Red Carrot, Bio SuRice® Organic Brown Rice Sprout.

INSTRUCTIONS FOR USE

Apply several times a day to lips and delicate areas to prevent damage from ageing. In the evening, before going to sleep, also apply a generous dose of the product on the mouth contours to ensure a compact and beautiful moisturising mask until morning.

PACKAGING

4,5 ml
