NO DOG & CAT

NATURAL STOP SPRAY

Change bad habits... You can!

- A composition rich in plant extracts boosted by the **MATRICE U.B.®**
- It works neutralizing the odours
- Helpful in case of marking and bad habits, such as scratching sofas or chewing seats
- Non toxic, does not stain, does not wear fabrics
- With a nice longlasting fragrance
- Recommended for domestic spaces (spray on furnitures, corners, carpets, etc.) and external areas (gardens, gates, doors, etc.)
- Safe for humans, animals and environment
- No rinse, ready to use

● INFORMATION - NO DOG & CAT

Helpful in case of marking with urine and feces and to limit bad behaviors such as scratching or chewing of sofas, armchairs chairs.

No Dog&Cat is suitable for both indoor (to be sprayed on furniture, corners, carpets, etc.) and outdoor areas (gardens, flower beds, gates, doors, etc.).

It acts neutralizing odours, even of apocrine glands, with a natural action to reduce the bacterial decomposition at the root of the characteristic ammonia odours of dog and cat, inducing the marking.

It contains plants extract which are unpleasant to animals without causing any problem if sniffed or licked.

MATRICE U.B.^{*1}
water extract of *Olea europaea*.
Polyvalent phytocomplex.

ORIGANUM VULGARE^{*1}
antibacterial action.

THYMUS VULGARIS^{*1}
