MULTIVITAMIN FACE NECK BOOSTER SERUM Anti- stain, Moisturizing and Anti-Aging

MULTIVITAMIN BOOSTER SERUM FOR FACE and NECK
Innovative formula, powerful antioxidant. Removes skin blemishes and deeply nourishes. In particular, it fights the action of free radicals and counteracts skin aging. Stimulates skin renewal, keeping skin younger for longer. repairs damage caused to collagen fibers and restores firmness and elasticity. It also helps strengthen the skin barrier against UV rays, limiting the appearance of wrinkles and discolouration. Reduces the visibility of wrinkles at any age. It has a lightening and anti-aging effect effective against eczema or dermatitis.

MULTIVITAMIN BOOSTER FACE NECK SERUM suitable for all skin types, anti-spot, anti-aging, hydrating, with 98% ingredients of vegetal origin, organic and vegan enriched with plant extracts, specifically:

- ✓ **VITAMIN C (ASCORBIC ACID)** powerful antioxidant. Removes skin blemishes and deeply nourishes. In particular, it fights the action of free radicals and counteracts skin aging. Stimulates skin renewal, keeping skin younger for longer
- ✓ **VITAMIN E** supports the skin in its ability to retain water, repairs damage caused to collagen fibers and restores firmness and elasticity. It also helps strengthen the skin barrier against UV rays, limiting the appearance of wrinkles and discolouration.
- ✓ **COENZYME Q10** reduces the visibility of wrinkles at any age. It restores elasticity and tone to the skin and helps it maintain a youthful appearance. Accelerates the healing process of eczema or dermatitis and infections, promotes correct skin function.
- ✓ **NATURAL FLAVORS** that do not contain allergens.
- ✓ **RICE OIL** is appreciated for its emollient, anti-inflammatory, hydrating and protective action from UV rays. Rice oil tocopherols are widely used as functional anti-aging substances, intended for the treatment and prevention of premature skin aging. It effectively counteracts the damage generated by free radicals on the phospholipids of cell membranes, protecting the skin from oxidative stress and photo-aging. It is indicated in the formulation of day creams intended for the treatment and protection of all skin types
