

EYES HEAVENLY CREAM

Growth factors eyes contour cream, reduce and prevent lines and wrinkles

DESCRIPTION:

This extremely velvety contour eyes reduces the appearance of fine lines and wrinkles.

Once applied, you can feel an immediate lifting effect. A pool of active ingredients works out at different depths in order to provide a complete antiaging treatment.

The Growth Factors, EGF and KGF, act on fibroblasts boosting the Collagen production and reduce and prevent lines and wrinkles by actively generating new skin cells. The SNAP-8 complex acts as a Botox-like molecule, stretching the marks.

Eye area is refreshed, revitalized, toned and visibly younger.

Only the tiniest amount is necessary to keep the area near the eyes hydrated and protected, a perfect primer before make up. Apply in the morning and in the evening with few little and gentle tapping.

CAUTION:

Gently apply in contour eye. Do not rub. Avoid direct contact with eyes, mucous and damaged skin. If eye contact occurs, rinse well with plenty of water. Do not apply on skin with already known allergies for one or more listed ingredients. Keep away from children.

Only for external use. Keep in a dark and cool place.
