

## KALINERO

### NERO DI TROIA

KALI, nice !! In Greek it was the 'good' wish ... good day, good evening, good ... ....For us it is the cin cin of a good glass of (of ours) 'Nero di Troia'. Nero di troia single variety produced in our vineyards in the contrada of Grassano delle Fosse. The careful management of our vineyard, the caring harvest, the assiduous efforts to winemaking and the scrupulous ageing in steel tanks complete our idea for this wine.
