*C.F.U.= Colony Forming Units

GLUTEN FREE - LACTOSE FREE

PROLACTIS[®] IVU is an association based on Probiotics and FOS, with D-Mannose and Pomegranate, with antioxidant action, adjuvant in case of deficiency or increased need of such nutrients.

QUALITATIVE COMPOSITION

D-Mannose; Fructo-oligosaccharides (FOS); Maltodextrin; Pomegranate (Punica granatum L., fruit) d.e. 70% titrated in ellagic acid; dye: beet root red; flavor; anti-caking agent: silicon dioxide; Lactobacillus Plantarum Lp 115 (ATCC SD5209); sugar substitute: sucralose.

POSOLOGY AND METHOD OF ADMINISTRATION

1 or 2 sachets a day, in the evening before bedtime and/or in the morning, in any case always with emptied bladder. Pour the contents into a dry glass, add water or other non-carbonated beverage (about 150 ml) at room temperature, mix and take the product immediately. To maximize effectiveness it is recommended to take **PROLACTIS[®] IVU** on an empty stomach before bedtime and in any case always with emptied bladder.

SPECIAL WARNINGS

Do not exceed the recommended dose. The supplements are not intended as a substitute for a varied and balanced diet and a healthy lifestyle.

SPECIAL PRECAUTIONS FOR STORAGE

Store in a cool and dry place away from light, at a temperature not exceeding 25°C. The expiry date refers to the product properly stored, in full packaging. Keep out of reach of children under three years.
