ZIBIBBO

TERRE SICILIANE I.G.P.

According to legend it was the young goddess Persephone who gave enchanted Sicily the marvellous Mediterranean climate it enjoys.

Our Zibibbo comes from the enchanting volcanic soils of Sicily, kissed by the shining Mediterranean sun and caressed by the warm African winds. The complex aromatic structure of this grape variety features intense floral notes of jasmine and clear scents of peach and apricot. Dry, smooth, pleasantly tangy and very lingering finish, an aperitif full of surprises; excellent served at dinner with main fish courses. We would even go so far as to call it "a seductive white".
