

106

A few meters wide and 491 kilometres long, it is an extraordinary place. It intertwines the life of the early peoples of Italy living along the Ionian Sea with the perennial alternation of joys and sorrows. In Cirò, the State Road 106 splits the seaside vineyards from those on the hills and the grapes travel it to become the wine in this bottle.

APPELLATION

Calabria IGT

ALCOHOLIC CONTENT

14% vol

SOIL

Medium texture

PAIRINGS
