

Special Slug Cervo

...and more bullets production

The bullet Special Slug Cervo has always had as objectif accuracy, reliability and safety.

Thanks to its balance, the ball structure, with the lead part anchored to the wad, it guarantees an impeccable accuracy. The wad perfectly rules the bullet balance once the shot is fired and it guarantees the maximum accuracy.

- **Top penetration power**
- **Top speed**
- **Maximum accuracy**
- **Suitable for every type of barrel**
