

CONSTRUCTION OF THE DOUBLE ROAD BRACKET

MISERICORDIA GROSSETO HOSPITAL CENTER (GR)

COORDINATION OF SAFETY IN EXECUTION PHASE OF THE ROAD STREP DOUBLING OF NUOVO POLO OSPEDALIERO MISERICORDIA'S PARKING

Location	Grosseto (GR)
Client	AUSL Toscana Sud Est
Project Manager	Eng. Claudio Migliorini
Service	Coordination of Safety in Execution Phase
Execution	2019
Amount of works	220.000,00 €

The project is meant to double the connecting road between Nuovo Polo Ospedaliero Misericordia's parking spot and Via Serenissima Street.

The trail takes place over 250 meters and was realized near the already named road without blocking the vehicles' motion.
