

# Linea

Linea system

The micro-architectural system, modular and continuously reconfigurable, designed to define and organize spaces.

A simple and functional solution for environments that are becoming increasingly hybrid, melting-pots of activities, technologies and objects. The wide range of customizable finishes, the various options for organizing the structures, and the accessibility to electrical sockets and connectivity, endlessly resolve any space organization or function required.

Design:

**Zanon Architetti Associati,  
Centro Progetti Tecno**

Il sistema micro-architettonico, modulare e continuamente riconfigurabile, studiato per definire e organizzare gli spazi.

Una soluzione semplice e funzionale per ambienti che diventano sempre più ibridi, dei veri e propri melting-pot di attività, tecnologie ed oggetti. L'ampia possibilità di finiture personalizzabili, le varie opzioni di organizzazione delle strutture e l'accessibilità ad elettrificazione e connettività, risolvono all'infinito qualunque disposizione di spazio o necessità di utilizzo.

Linea system

-----  
**The construction elements – joint, tubular, panels – with their minimalist and almost archetypal shape, respond to different functions: horizontal surfaces, such as worktops and seating, or vertical surfaces to divide the space, composing containers and supports that can be integrated with lighting systems, fabrics or acoustic panels.**  
-----

-----  
**Gli elementi costruttivi - giunto, tubolari, pannelli - dalla forma minimalista e quasi archetipica, rispondono a diverse funzioni: superfici orizzontali, come piani di lavoro e sedute, o superfici verticali per dividere lo spazio, componendo contenitori e supporti integrabili con sistemi di illuminazione, tessuti o pannelli acustici.**  
-----

-----  
**A flexible structure capable of solving all layout needs, to be designed on a project base, that can characterize multiple interior projects, from workplaces to homes, to educational, reception areas and airport environments.**  
-----

-----  
**Una struttura flessibile in grado di risolvere tutte le esigenze di layout, da disegnare a progetto, e può caratterizzare molteplici progetti di interior, dai luoghi di lavoro a quelli della casa, fino ad ambienti educational, reception e aeroportuali.**  
-----

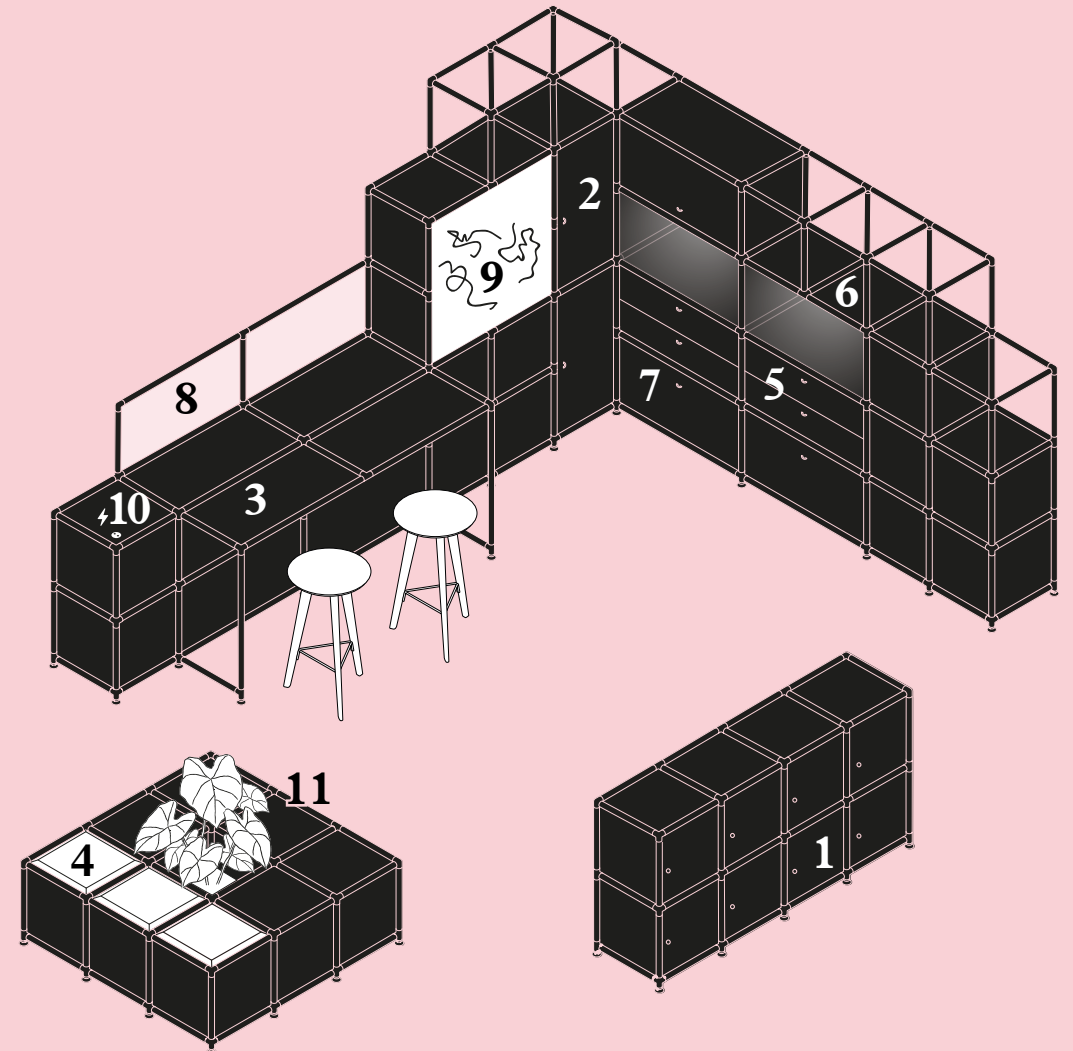

Linea system

A modular system freely generating personal configurations, designed made-to-measure with the possibility to integrate different functions and accessories.

Un sistema modulare generatore di configurazioni da disegnare liberamente a progetto e integrabile in ogni suo punto con diverse funzionalità e accessori.

Linea system

The possibility of integrating the widest range of materials and finishes - such as melamines, woods in different essences, matt lacquers, fabrics or leathers, satin methacrylate - makes it possible to create personal, efficient and extremely welcoming layouts.

La possibilità di integrare la più ampia gamma di materiali e finiture - come melaminici, legni in diverse essenze, laccati opachi, tessuti o pelli, metacrilato satinato - permette di creare layout personali, efficienti ed estremamente accoglienti.

**Cabinets** Contentori

**Monitor holder and blackboard** Portamonitor e lavagna

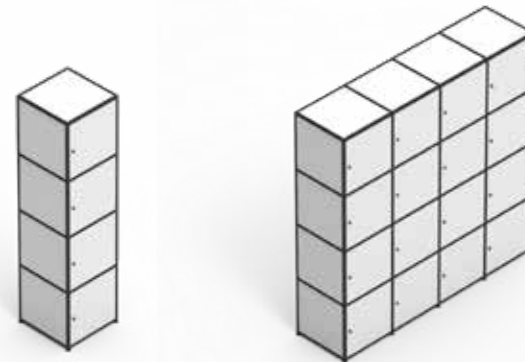

**Receptions and counters** Reception e banconi

**Tables** Tavoli

7 1/5 × 7 1/5 × 14"

**L × P × H**  
31,5 × 18,3 × 10,5 cm  
12 1/2 × 7 1/5 × 4 1/7"

- The total standard depth (W) is 46,5 cm - 18 3/8" with a centre distance of 43,5 cm - 17 1/8"
- Adjustable feet Ø 4,5 cm - 1 3/4", H 1,5 cm 3/5"
- Compartment with top-hinged or bottom-hinged flap door available for structures: B
- Compartment with low drawers or file drawer available for structures: A, B, G
- Compartment with door available for structures: A, B, F

- La profondità (W) totale standard è di 46,5 cm e con interasse di 43,5 cm
- Piedini regolabili Ø 4,5 cm, H 1,5 cm
- Vano con ribaltina a salire o scendere disponibile per strutture: B
- Vano con 2 cassetti bassi o 1 classificatore disponibile per strutture: A, B, G
- Vano con anta disponibile per strutture: A, B, F
