THE SINGULAR CROWN SETTING GIVES THE GEMS A STRONG SENSE OF UNIQUENESS. CUT, COLOR AND CLARITY GIVES THESE NATURAL STONES AN ADDED VALUE WHEN CHOOSING JEWELLERY.

THE OVAL AND ROUND SHAPE, OBTAINED THROUGH THE USE OF CUTTING MACHINERY WITH THE MOST SOPHISTICATED TECHNOLOGIES, ENHANCES THEIR SHINE.

THE CONSTANT ATTENTION TO THE PRODUCTION PROCESS, THE CAREFUL SELECTION AND A BREATHTAKING DESIGN MAKE THIS JEWEL A CLASSIC UNTIED BY THE CONCEPT OF TIME, AN ETERNAL HYMN TO THE BEAUTY OF LIFE.
