## **AUTHENTICITY CERTIFICATE CARD**

**Authenticity Certification:** We guarantee the authenticity of this product. This item has been crafted in adherence to the highest quality standards and has undergone the most rigorous quality control procedures.

### **Leather:**

All leather used in the production of EB bags is sourced from the finest tanneries in Tuscany, each with a long-standing heritage passed down through generations. The leather is LWG (Leather Working Group) certified, ensuring traceability and sustainability.

**Exotic Leather:** The exotic leathers used in EB bags are also sourced from the top tanneries in Tuscany with a history of excellence spanning multiple generations. All exotic skins are CITES (Convention on International Trade in Endangered Species) certified, ensuring ethical sourcing.

### **Accessories:**

All metal accessories, customized with the EB logo, are made of high-quality brass and are plated with 24K gold with a thickness of 0.50 microns. These accessories undergo a "nickel-free" process and the chains are treated with a "cataphoretic" process to enhance their scratch resistance.

**Leather Craftsmanship:** EB bags are created by the best artisans in Florence, selected for their commitment to preserving Made in Italy excellence. Each bag is subjected to meticulous quality control and supervision to ensure perfection.

**ID Number:** Each EB bag comes with a unique ID number, certifying its authenticity and origin. This ID number is sewn onto a nameplate inside the bag, and an Authenticity Certificate Card with the ID number is included.

### **Diamond:**

The diamonds featured on EB bags are sourced from prestigious jewelers in the historic center of Florence. These diamonds are certified by authorized centers in Milan, guaranteeing their quality and characteristics. They are hand-set, one by one, according to ancient goldsmithing traditions in the Torre dell'Orefice on Ponte Vecchio in Florence, a goldsmithing landmark since the 1200s. Each EB bag is accompanied by a Diamond Warranty Certificate, linked to the bag's unique ID number.

### **Packaging:**

EB bags are carefully stored in elegant dust bags, designed to protect and preserve the product. The bags are presented in exclusive packaging to enhance the luxury experience.

## **Leather Goods Maintenance Guide**

Elisa Burlamacchi stands for impeccable quality and expertise. This product has been crafted using only the finest materials, combined with the knowledge and skill of generations of artisans, ensuring complete customer satisfaction.

**Care for Patent Leather:** Patent leather is delicate and requires proper care to preserve its beauty.

### **General Recommendations:**

- Keep your bag out of direct sunlight to prevent fading over time.
- Protect it from moisture, rain, and heat sources (such as the sun or heating elements).
- Avoid contact with alcohol (perfume, solutions) and oils (such as makeup).
- Store your bag in its EB cover bag, keeping it away from light, humidity, and heat.
- Do not use self-applying water repellents or other products not specifically designed for this leather.
- Avoid contact with rough or abrasive surfaces.

### **Leather Care:**

- Avoid prolonged contact with other leather to prevent potential color transfer.
- Avoid exposing lighter-colored bags directly to sunlight.
- To clean, wipe gently with a soft, non-abrasive cloth of neutral color.
- Extra care should be taken with white or light-colored bags.
- Store your bag in its EB cover and stuff it with filler to help maintain its shape.

### **Exotic Leather Care:**

- These products are delicate. If exposed to water, dry them carefully with a soft cloth.
- Avoid contact with abrasive surfaces or objects.

### **Accessory Care:**

- EB bag accessories are precious and should be handled with care. Be mindful of scratches from nails or rough surfaces.
- The gold plating is susceptible to scratching.
- Avoid contact with perfumes, cosmetics, or any other liquids.
