

You're so GLOWLY

FACE NECK &
DÉCOLLETÉ PRO AGE

PEPTIDE RICH CREAM

This emulsion is a beauty elixir for the face, neck, and décolleté, with a protective, toning, and revitalizing function. Formulated with biomimetic peptides with a “botox-like” effect, it works with a gentle micro-relaxing action on facial muscles, reducing expression lines and giving the complexion a visibly fresher and smoother appearance.

Enriched with emollient and revitalizing active ingredients, our You're so GLOWLY cream ensures deep hydration, improving skin tone and keeping it comfortable throughout the day.

KEY INGREDIENTS

Hydropom®: an upcycling-derived ingredient obtained from tomato peel waste grown in Italy.

It is rich in lycopene, an antioxidant molecule widely studied for its protective effects against stresses caused by environmental pollution* and for its ability to deliver the right amount needed to keep your skin UV quickly, efficiently and evenly protected.

Mannaferm®: an upcycling-derived ingredient obtained from the sap that escapes from the bark of ash trees grown on top of the Madonie Mountains in Sicily through a modern hyper fermentation technology that allows the phytocomplex of manna to be enhanced in its antioxidant and amino acid components, both fundamental for your skin well-being.

A true beauty “godsend” as it protects osmotic stress skin cells, gets your skin 24 hours hydrated from the very first application, increases skin firmness and visibly reduces wrinkles while getting it smoother. **

Regenine®: upcycling-derived ingredient obtained by selecting different plants (grape, apple, lemon and wheat bran) produced in specialized areas in Italy in order to ensure a raw material high quality.

It is ideal for gently but effectively renewing your skin both from the outside, thanks to its natural AHA content, and from the inside, being able to nourish and protect the deeper layers of your skin.***

Luminescine ®: is the first natural active cosmetics ingredient based on luminescence.

It is derived from Mullein, a yellow flower from the Mediterranean area.

Its phytocomplex can protect your skin from potentially harmful UV radiation by transforming it into a light source that radiates directly from your skin giving it a brighter, younger, healthier and naturally radiant appearance.

BONT Peptide ®: is a biomimetic peptide with botox like action. It reduces skin mimic muscles microcontraction, decreasing wrinkles visibility.

3 PM hyaluronic acid (low medium and high): has a pronounced moisturizing action at various levels of the epidermis.

Low molecular weight hyaluronic acid penetrates below the disjunct stratum corneum and has a plumping action

* Anti-pollution effect (+40% in vitro test).

** Greater cohesion of the epidermis (+41%) (in vitro test);

More hydrated skin for 24 hours from the very first application (in vivo test);

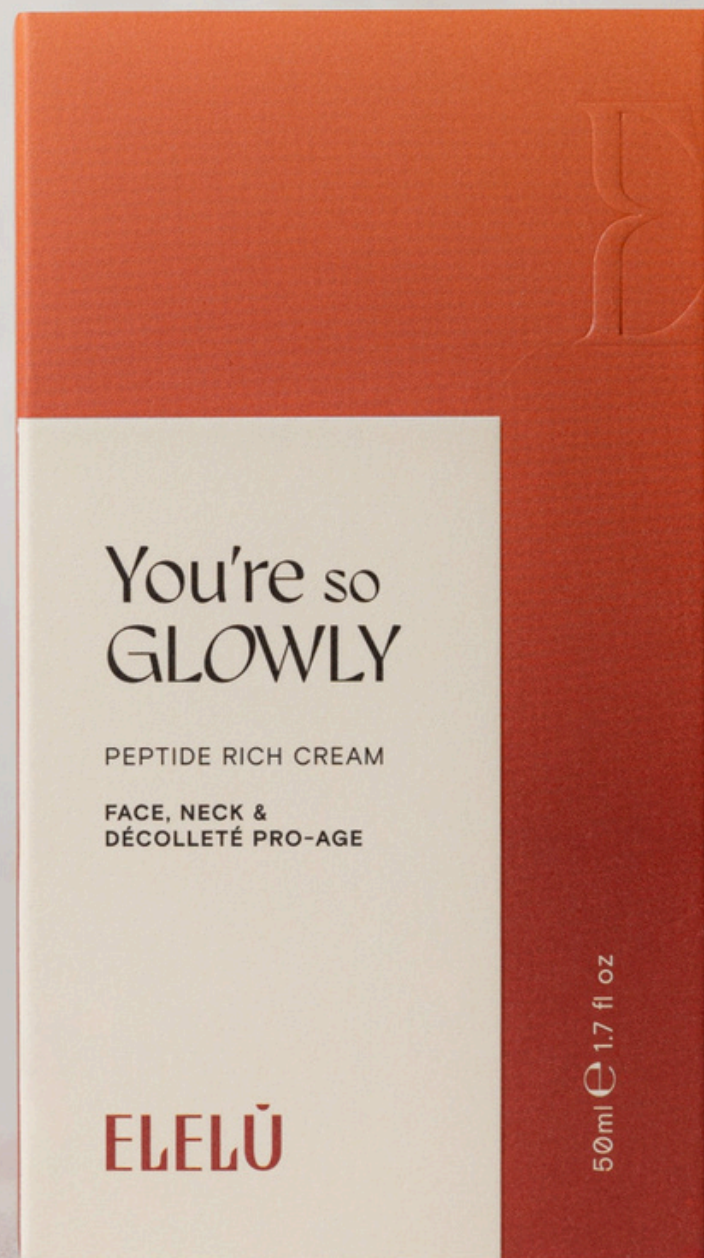

Deep (+17%) and long-term (+15.5%) hydration (in vivo test);

Reduction in skin flaking (-34%) (in vivo test);

Reduction of wrinkles (-40%) making the skin smoother (+9%) (in vivo test)

*** Efficient skin renewal (+83% in vivo test) ;

Safer and gentler than AHA benchmark (in vitro test)

You're so GLOWLY

WHO IS RECOMMENDED FOR

This is a face, neck and décolleté cream suitable for all skin types who wish to fight the signs of aging and/or prevent the appearance of age-related imperfections. Its constant daily application helps to improve the appearance of the complexion, making it increasingly radiant and relaxed.

TEXTURE

Cream rich in active ingredients but with light texture that is quickly absorbed. Ideal for massaging or for face yoga exercises.

Nichel tested, Dermatologically tested

INCI

Aqua, Isoamyl laurate, Hydrolyzed tomato skin, Cetearyl alcohol, Glycerin, Caprylic/capric triglyceride, Dicaprylyl ether, Simmondsia chinensis seed oil, Panthenol, Butyrospermum parkii butter, Sodium hyaluronate, Fraxinus chinensis bark extract, Adansonia digitata oil, Allantoin, Palmitoyl hexapeptide-19, Hydrolyzed verbascum thapsus flower, Saccharomyces ferment lysate filtrate, Hydrolyzed wheat bran, Pyrus malus fruit extract, Hydrolyzed grape skin, Citrus medica limonum extract, Ascorbyl palmitate, Lecithin, Tartaric acid, Lactic acid, Citric acid, Sodium stearyl glutamate, Cetearyl glucoside, Tocopherol, Tetrasodium glutamate diacetate, Ethylhexylglycerin, Dimethiconol, Phenoxyethanol, Cyclopentasiloxane, CI 16035.
