## Stone Washed T-Shirt

Short-sleeved t-shirt made from treated cotton, finished with vintage washes and a resin coating for a worn-in yet controlled look. The slightly oversized fit makes it a versatile piece — perfect on its own or layered under a sweatshirt or jacket.

Each garment is unique, thanks to the combination of dyeing and resin, which creates deliberate shades, variations, and imperfections.

Details:

- 🔪 Aged-effect treated cotton
- 🔪 Final resin finish
- 🔪 Slightly oversized fit
- 🔪 Worn-in, structured appearance
- 🔪 Vibe: Minimalist, weathered by time yet refined in detail — a solid foundation for any street-inspired outfit.
