

Design shade sails and luxury furniture
to make your outdoor space unique

MOONRAKER
DEFINING OUTDOORS

Artisan innovation *Made in Italy*

The MOONRAKER, the highest sail on a mast, seizes the wind and guides a ship to new horizons: we want to do the same with our products. Three historic Italian companies have therefore combined their expertise in order to offer you **high-quality, innovative and elegant outdoor solutions**.

- **AMBIENTAZIONI CARRARO** is an industry standard for bespoke upholstery and technical curtain in public and corporate buildings and luxury accommodation;
- **DOMENEGHETTI** is a true example of craft *Made in Italy* production and is known for its innovative outdoor solar shade and custom curtains for the haute couture market;
- **TAPPEZZERIA MUNARON** produces every type of interior curtain with a contemporary spirit that goes in search of new technological and technical solutions.

We design the journey towards your perfect outdoor space

- **SURVEY**
We identify your needs and research the best solutions;
- **PROJECT**
We design and create all the elements of your project according to the very highest standards of quality;
- **AFTER-SALES**
Short delivery times, careful installation and a two-year warranty.

The perfect level of light at all times

We create shade sails and personalised solutions for your outdoor spaces. We cater to hotels, holiday homes and restaurants, but also to individuals in search of unique and exclusive style.

STANDARD ADVANTAGES

- **FABRIC IN MARINE CARBON FIBRE**
durable, lightweight and with excellent reflective qualities
- **AUTOMATIC WINDING SYSTEM**
complete with wiring, anemometer and remote control
- **CERTIFIED WIND RESISTANCE**
up to 25 knots (for fixed shade sails)
- **STEEL STRUCTURE**
that is rust-resistant and weather-resistant
- **LED SPOTLIGHT 20 WATT**
to radiate the sails in the evening hours
- **CUSTOMISABLE SAIL COLOUR**
from Pantone or RAL scale
- **MAINTENANCE AND CLEANING KIT**

Mobile shade sails

With 360° orientation for maximum shade management and control.

Sleek, elegant and highly resistant to different weather conditions.

Their great versatility makes them **an ideal solution for all outdoor environments.**

Fixed solar sails

Super resistant, perfect for creating particularly wide shaded areas with the maximum amount of **customisation** in terms of shape and size possible. Bold, modern and unmatched for outdoor use.

Custom solutions

An exclusive outdoor space requires a design that enhances its uniqueness. We can support you in the **design of custom solutions, from inspection to installation, with total freedom of choice and requests.** We model the perfect shade cover for any environment thanks to the technical innovations and the flexible and contemporary design of our products. This style can also be found in other **furnishing items, such as deckchairs and armchairs,** for a matching outdoor area look with a unique personality.

**With Moonraker you can experience
to joys of light every day.**
