Why a Soft Pack

Universal Caffè has put its know how, developed in the field of Italian high quality espresso, to offer the same pleasure to those who love having coffee at home. After spending over two years' investments in researches and experiments, a new, innovative line of production and packaging comes out to deliver rich and fine coffee blends dedicated to moka.

MOKA ROSSO

GROUND COFFEE

AVAILABLE IN 125 GR BAG

Even the packaging is special: the "Soft Pack" is a flexible box with a special aroma-saving valve. Coffee gets packed under MAP (modified atmosphere) to preserve the aroma of the freshly roasted coffee beans.

Once the pack is opened, you will be surrounded by coffee's inebriating scents. A promise of good coffee taste which will be kept when drinking coffee from the cup.

*Moka Rosso
