Founded in 1869, AIE is the oldest Italian trade association. It represents Italian publishers of books, scientific journals and digital content at both the national and international level.

It is the main data source on reading habits, publishing market, as well as cultural and educational consumption.

AIE is one of the founders of Confindustria. Publishers represented by AIE make up over 90% of the Italian book market. At the European and international level, AIE contributed to the founding of IPA (International Publishers Association) and FEP (Federation of European Publishers).

The president of AIE was elected president of FEP in 2022.

Il Portico Spa was founded in November 2022 when it acquired two Italian publishing brands, EDB and Marietti 1820: both have an important heritage of books, ideas and authors that have been able to integrate in the cultural demand with works of the finest quality. Today, Il Portico Spa is proud of this legacy and can start a brand new cultural project, open to the many challenges of the present times. The two brands' catalogues will continue to enhance their bestsellers – starting from the Bible with the comments of the Jerusalem Biblical School – and will also be reinforced by new relationships with the international book scene, by

bolstering the already existing bonds with partner publishers and establishing new ones.
