ITALIAN TRADE AGENCY

Italian Trade Agency

Trade Promotion Section of the Italian Embassy

ITA - Italian Trade Agency is the Governmental agency that supports the business development of our companies abroad and promotes the attraction of foreign investment in Italy.

With a motivated and modern organization and a widespread network of overseas offices, ITA provides information, assistance, consulting, promotion and training to Italian small and medium-sized businesses.

Using the most modern multi-channel promotion and communication tools, it acts to assert the excellence of Made in Italy in the world.

Italian Trade Agency (ITA) has been supporting Italian companies in their export activities and international growth, for 100 years. With a global network of 69 offices across 133 markets, ITA promotes Made in Italy worldwide.

ITALIAN COMPANIES

A close-up, artistic photograph of industrial machinery, likely a lathe or mill, with various metal components, bolts, and a circular dial visible. The lighting is dramatic, with strong highlights and deep shadows, creating a sense of precision and craftsmanship. The background is slightly blurred, focusing attention on the mechanical details.
