Dear Professionals,
We are pleased to welcome you to our Italian experience at ISM 2026!

ITA - Italian Trade Agency is the governmental Agency which supports the business development of Italian companies abroad and promotes the attraction of foreign investment in Italy. With a modern organization and a widespread network of 87 Offices in 74 foreign countries, ITA provides Italian SMEs with information, assistance, promotion and training. Using the most modern multi-channel promotion and communication tools, it acts to assert the excellence of Made in Italy in the world.

For the third time, the Italian Trade Agency is organizing a participation in ISM 2026 with a joint booth of 16 selected companies. All exhibitors will present their specialties and innovative products - from sweet creams, cookies and Sardinian regional specialties to chocolate bars, pralines, bonbons, nougats, baked goods and panettone - to a large audience of international professionals.

At our joint booth in Halle 10.1 - Stand A091g-B108g you will have the opportunity to meet Italian exhibitors, make contacts and obtain further information and assistance from Berlin Office's Team.

Yours sincerely,
