THE ITALIAN TRADE AGENCY - ICE

EDITORIAL

Dear reader,

ITA - Italian Trade Agency is the Governmental agency devoted to support the business development between Italian and foreign companies and promotes the attraction of foreign investment in Italy.

With a motivated and modern organization and a widespread network of nearly 80 offices worldwide, ITA provides information, assistance, consulting, promotion and training to Italian small and medium-sized businesses. Using the most modern multi-channel promotion and communication tools, it acts to assert the excellence of Made in Italy in the world.

The Berlin office is responsible for the entire German market and is your contact for finding new business partners and manufacturers from Italy. Every year, we organize several events in Germany and Italy on a wide variety of fashion topics.

By partnering with industry leaders worldwide ITA asserts the high quality of brands made in Italy on a global level and focuses on craftsmanship as the driving force behind Italian exports.

Even if the circumstances endangered by the threads of the passed pandemic, the ongoing conflicts, inflation, and climate change are at a critical point and continue reshaping the international market structure, the world of fashion is moving on with its fierce determination as evidence that this period has not stopped the creativity of designer and their desire to share their experiences.

2023 must thus be assessed with a renewed optimistic perspective as a time where to restart the storyline among all players engaged in industrial operations, a momentum for the future of fashion and a year for founding a long-lasting exclusive pool of Italian brands who can redesign nowadays trends.

The revolution began in 2013 in Bergamo, Italy. It all started with an idea of the founders Stefano Agazzi and Valentina Azzia, two young exuberant entrepreneurs with the desire to bring a fresh touch to the fashion world. Stefano, born in Bergamo, has an artistic mastermind with a business-wise charisma; Valentina, who is half-Thai and half-Italian, has an international taste and experience in luxury goods management. Their fusion was the trigger that made Save My Bag explode.
