The Italian Trade Agency (ITA) at ProWein 2025

The Italian Trade Agency (ITA) will again revive this year its long-standing tradition of participation in ProWein in Düsseldorf.

Through a rich programme of activities, you will discover the diversity of the Italian wine world at our stand in **Hall 15 - E68/F68**.

There, you will have the opportunity to taste different types of wines in **13 themed masterclasses**, conducted by the expert sommeliers, **Peter Douglas, Sebastian Bordthäuser** und **Simon Staffler**, in co-operation with Meininger Publishing House. From sparkling to white and red wines from Northern, Central and Southern Italy, not to mention other exciting wine-growing areas.

In fact, one hundred Italian wines "**TOP100 Italy**", selected by a professional team from Meininger Publishing House, can be tasted at our tasting counter. They will be presented by sommelier **Peter Douglas, Paul Knittel** and **Markus Dilger** during free wine tastings.

We are also offering **13 guided tours** for the first time this year.

You are kindly invited to visit various Italian exhibitors at ProWein with our renowned sommeliers **Gabriel Gorelli MW, Filippo Bartolotta, Georgia Panagopoulou (@wine.gini)** during the themed tours.

Alla salute!

Yours Sincerely,

Ferdinando Fiore
Director - Berlin Office, Italian Trade Agency

ITALIAN TRADE AGENCY

ICE - Agenzia per la promozione all'estero e
l'internazionalizzazione delle imprese italiane

ITA - Italian Trade Agency is the Governmental agency that supports the business development of Italian companies abroad and promotes the attraction of foreign investment in Italy.

With a motivated and modern organization and a widespread network of overseas offices, ITA provides information, assistance, consulting, promotion and training to Italian small and medium-sized businesses. Using the most modern multi-channel promotion and communication tools, it acts to assert the excellence of Made in Italy in the world.

ICE operates under the authority and supervision of the Italian Ministry of Foreign Affairs and International Cooperation and works together with business organizations and different public and private bodies to support Italy's economic globalization process.

In Germany, ITA's Berlin Office coordinates promotional events together with Italian Regions, manufacturers' associations, Chambers of Commerce and private companies. In the food and beverage sector, it organizes Italian Pavilions at key international trade fairs such as Fruit Logistica, Biofach, ProWein, Bar Convent Berlin and Anuga.
