# ITA - ITALIAN TRADE AGENCY

ITA - Italian Trade Agency is the government agency supporting the business development of Italian companies abroad and promoting foreign investment in Italy.

Through its headquarters in Rome, an office in Milan and a worldwide network of 69 offices in 74 countries, closely collaborating with Italian embassies and consulates, the Italian Trade Agency provides information, assistance, promotion, training and cooperation in the industrial, consumer goods and services sectors. In Greece, the ITA has an office in the country's capital, Athens, offering a wide range of services to Italian and Greek companies.

ITA Athens engages in promotional activities and organises one-to-one meetings, conferences, and incoming as well as outgoing trade missions. In addition, it sets up Italian pavilions at the most important Greek trade fairs, facilitating local entrepreneurs to find products and services in Italy.

Region Apulia

[www.blogsrl.it](http://www.blogsrl.it)

Blog SRL is a FOOD & DRINKS distribution company on the market since 2011.

After getting experience and with the support of the largest Italian and International MultiNationals, the company has oriented its system distribution towards online sales, extending its competitiveness towards those companies that still have not perceived the enormous potential of B2B online commerce and which remain linked to a traditional distribution model.

The company was born from the need to carry out a wholesale business of consumer products for distribution throughout the national and international territory.

Region Abruzzo

**UNIVERSAL**  
CAFFÈ DAL 1963

The history of Universal comes from far, from another world and from another time where Mr Raffaele Camiscia's great entrepreneurial intuition blended with his love for high quality.

Since after the Second World War the company has grown and developed, becoming a certainty on the international market.

The commercial offer merges with rigorous ethical choices. Universal interacts with local production communities supporting them in their development, contributing to the creation of schools and other basic needs in the territories.
