MARKET SURVEY NOTICE 1/25

CONTRACTING AUTHORITY

The Italian Trade Agency (ITA) is the Governmental Agency that supports the business development of national companies abroad and promotes the attraction of foreign investment in Italy.

With a widespread network of overseas offices, ITA provides information, assistance, consulting, promotion and training to Italian small and medium-sized businesses.

REQUESTED SERVICES

The Agency's Office in Athens is starting a procedure of direct assignment⁽¹⁾ with an economic operator based in Greece. The object of the contract consists in the reservation, supply and delivery of:

- office supplies (stationery, paper, accessories, equipment, etc)
- toner and printer cartridges
- other office equipment and appliances

All the services described above will be ordered with a "service request letter" by the Trade Commissioner of the Italian Trade Agency in Athens in the frame of a contract that will last one year (12 months).

PARTIES CONCERNED - REQUIREMENTS

Economic operators admitted in participating in the procedures to bid to tenders are those established in accordance with the Greek Legislation in force in Greece.

Each economic operator willing to participate in the Italian Trade Agency – Athens Office tenders must:

- be registered under the Greek Law as a juridical subject;
- have a fiscal position;
- not ever be declared bankrupted;
- comply to social and labour national collective agreements.

AWARD CRITERION

The offers presented upon this notice will be evaluated by the sole criterion of the lowest price of the services offered⁽²⁾.

The Italian Trade Agency in Athens reserves the right not to proceed with the assignment of the service object of this notice in case the received offers are not considered suitable.

ASSUMED VALUE

The expected level of spending during the contract period is about € 3.000,00 (three thousand Euros).

However, ITA is not bound to guarantee the levels of expenditure indicated because the use of the service by ITA personnel is conditioned by factors that prevent their precise definition.

Therefore, the level of actual expenditure related to the period considered may vary, considering both the real needs of office supply and the actual availability of the budget. Therefore, no compensation is foreseen if the annual expenditure does not reach the amount indicated.

DURATION

The agreement will last one year from the signing of the contract, once all the participation requirements are verified. On the expiration date its effects will cease automatically, with no need for any notification between the parties.

The duration of the contract may be modified in the course of execution for the time strictly necessary to complete the procedures to identify a new operator⁽³⁾. In this case the contractor is required to perform the services at the same - or even more favorable - prices, agreements and conditions of the contract itself.

PARTICIPATION REQUIREMENTS

The economic operator entrusted with the service will have to commit:

- a) to satisfy ITA requests in the shortest possible time, considering the nature of the request and the technical times associated with it;
- b) to respect the agreed delivery times;
- c) to guarantee, for the execution of the service, its own personnel of proven reliability and competence at ITA complete disposal during the requested times. ITA reserves the right to highlight any unsuitable personnel;
- d) to guarantee an efficient and transparent policy on cancellations, returns of goods and related charges and reimbursements.

PAYMENTS AND PENALTIES

Within the duration of the contract, ITA will provide the payment for each service within 30 days of receipt of an invoice. Payment shall be made in euro, based on the received invoice amount (see point b above), bearing the number of the letter of appointment.

In case the requisites indicated in this notice are not respected, ITA reserves the right to apply a penalty, determined on the basis of the gravity of the event occurred, and in any case within 3% of the amount related to the specific service provided other than requested.

CLAUSES OF EXCLUSION

All economic operators who find themselves in conditions indicated in Art. 57 of the European Directive 2014/24/EU are excluded from the present procedure, and notably:

- a) participation in a criminal organization, corruption
- b) fraud

ITALIAN TRADE AGENCY

- c) money laundering and criminal activities
- d) child labor and other forms of human smuggling
- e) if the operator has not complied with the obligations related to the payment of taxes or social security contributions and if this has been established by a judicial or administrative decision, with definitive and binding effect, based on Greek and Italian legislation
