TIME FRAME OF THE AGREEMENT

CALCULATION METHODS FOR DETERMINING THE SCORE OF ECONOMIC OFFERS

The score will be based on the agency fee offered for each type of service and weighted based on the number of transactions estimated for each type of service, according to the following breakdown:

Table of attribution of the weight % to the prices offered for each category of service.

SERVICE CATEGORY	WEIGHT % ATTRIBUTED TO THE SINGLE- TRANSACTION AGENCY FEE
1. Flight booking and ticketing	90%
2. Hotel accommodation	5%
3. Vehicles rental, with or without driver	5%

The contract will be awarded to the Agency that has presented the lowest price in terms of Agency fee, as resulting from the weighted average of the four quotations offered.

ITA – Miami Office has the authority to award the contract even if only one bid has been submitted, provided it is deemed valid and worth accepting. Moreover, ITA has the authority not to award the contract, if it deems it appropriate to exercise the right of self-protection and if ITA finds that the bids received do not comply with the technical and financial contents set forth herein.

SERVICE ORDERS AND PAYMENT TERMS AND CONDITIONS

Based on budget authorizations on single projects, ITA will issue single “Service Orders”.

ITA does not bind or commit itself in any way to stipulate Service Orders for the above-indicated budget, not even for a minimum amount of it. Each Service Order will be issued based on ITA's specific needs of the services regulated in the Framework Contract.

The time frame of the Framework Contract will be until September 30th 2025, starting from the effective date of the contract.

Italian law does not allow advance payments for public contracts. Therefore, the payment will be made after signing each single "Service Order" and once the service has been rendered.

Payments will be made by ITA in USD within 30 days after the correct and complete execution of the service stated by the RUP with the release of a Certificate of Regular Execution that allows the provider to send the invoice made out to ITA - Italian Trade Agency — Miami Office 1SE 3rd Avenue, suite 1000, Miami (FL) 33131, issued by the awarded service provider.

Invoices will be settled by direct deposit based on the services rendered. All the necessary information to execute ACH transfers must be included in each invoice and/or communicated to ITA.

Please note that ITA is part of the official Mission of Italy to the United States and is exempt from paying tax on purchases over \$ 325.00.

A maximum budget of \$ 130,000.00 has been allocated for this contract.

The above amount is purely indicative, as ITA reserves the right to avail itself of essential services only.

ITA – Miami Office is not bound to guarantee the level of expenditure indicated herein, which is a mere estimate, based on the provisional projects to be implemented during the life of the contract. The effective budget will be determined for single-financed projects based on the above-mentioned contractual period.

Notwithstanding the above, please note that ITA, as a foreign governmental entity with full diplomatic and immunity status, maintains power to irrevocably withdraw the present invitation to bid and/or therefore annul the awarding procedure for any reason and at any point in time without incurring in any liability under any circumstances.

In submitting an offer to the current bid, you understand and expressly agree to waive any claim, legal action, and/or remedy based in law or equity that you may have at the time ITA decides or is forced to withdraw and therefore annul the awarding procedure.

LIFE OF THE CONTRACT

The contract will last:

The contract will automatically terminate on its expiration date or upon reaching the amount specified above (\$130,000.00), without any notification between the parties.

There will be no tacit renewal of this contract.

The Contracting Authority (ITA) reserves the right to request an extension of the effectiveness of the contract limited to the time strictly necessary for the conclusion of the procedures for the identification of a new contractor (see art. art. 120, Legislative Decree 36/2023 and subsequent amendments and additions) at the same prices and conditions or more favorable for the Contracting Authority.
