AMBASSADOR'S MESSAGE

It is with great pleasure that I extend my warmest greetings to the Singapore International Jewelry Expo 2024, an illustrious event that showcases the epitome of creativity, craftsmanship, and luxury in the world of jewellery. This year's Expo will feature more than 20 premier Italian jewellery companies, presenting a stunning array of pieces, from handcrafted gold necklaces to the brilliance of finely cut gemstones.

Italy's unwavering commitment to excellence in the jewellery industry and its deep connection with the discerning tastes of the Singaporean market are well-known. The Italian Trade Agency, in collaboration with the Italian Ministry of Foreign Affairs and International Cooperation, will be organising an Italian Pavilion and an Italian Lounge, designed to serve as sophisticated backdrops for high-impact B2B meetings between Italian and Singaporean companies, as well as businesses from the broader region. These interactions will not only enhance commercial prospects for Italian companies but also solidify Italy's presence in Southeast Asia's burgeoning luxury market.

Italy's legacy of exceptional jewellery design, coupled with the growing demand for our creations in the Singaporean market, is a testament

DANTE BRANDI

Ambassador of Italy to Singapore and Brunei

to the unparalleled quality and authenticity of our products. In 2023, Italy's jewellery exports reached remarkable heights, making Italy the second-largest jewellery exporter to Singapore within the European Union.

As we gather at the Singapore International Jewelry Expo 2024, I am confident that this event will not only fortify our enduring partnership with Singapore and the ASEAN region but also deepen the appreciation for Italian jewelry among enthusiasts in Singapore and beyond. It is a celebration of luxury, heritage, and the timeless allure of Italian design.

TRADE COMMISSIONER'S MESSAGE

We are thrilled as the Italian Trade Agency to participate in the Singapore International Jewelry Expo (SIJE) 2024. This prestigious event will be set to feature approximately 300 brands from over 30 countries and is expecting 11,000 visitors. Among them, we are proud to showcase a fantastic group of Italian jewellery companies, each renowned for their exquisite craftsmanship and innovation.

SIJE 2024 epitomises the convergence of global luxury and innovation. Italy's presence highlights our longstanding commitment to setting the standard in jewellery design, blending heritage and tradition with contemporary flair.

We invite you to explore the artistry and sophistication that define Italian jewellery. Let us seize this opportunity to forge new connections, share insights, and celebrate the passion that drives our industry forward.

Thank you for joining us today. Enjoy the splendor and inspiration that SIJE 2024 promises to deliver.

Grazie e buon lavoro!
