

WHEN CARE IS NEEDED

HEALTHCARE SOLUTIONS GLOBAL PARTNERSHIPS

Developing Medical Devices and Food Supplements to meet patients' needs
and create opportunities for healthcare partners worldwide.

WHAT WE DO

We develop consumer health products, with strong focus on substance-based **Medical Devices** and **Food Supplements**, designed to address everyday health needs and improve patients' quality of life.

OUR EXPERTISE

4 therapeutic areas:

OTOLARYNGOLOGY

GASTROENTEROLOGY

OPHTHALMOLOGY

PAEDIATRICS

From formulation to market, our **R&D**, **Medical**, **Regulatory** and **Quality** teams work together to develop safe, effective and market-ready healthcare solutions.

SAFETY

QUALITY

EFFICACY

Patients all over the world can rely on our commitment to the highest standards, backed by certifications such as **ISO 9001** and **ISO 13485**:

READY FOR MDR

Many of our products are already **MDR certified**, while we continue to work on the **transitional path**, benefiting from the **extension period**.

MADE IN ITALY, GLOBAL REACH

Our products are proudly **MADE IN ITALY**, marketed by our nationwide fieldforce and a growing **INTERNATIONAL PRESENCE** in over 50 countries.

Our partners can count on **continuous support** throughout the collaboration, helping maximise market impact.

WHAT WE LOOK FOR

With more than 20 years of international experience, we keep looking for new Business partners to build long-lasting collaborations and expand our international presence.

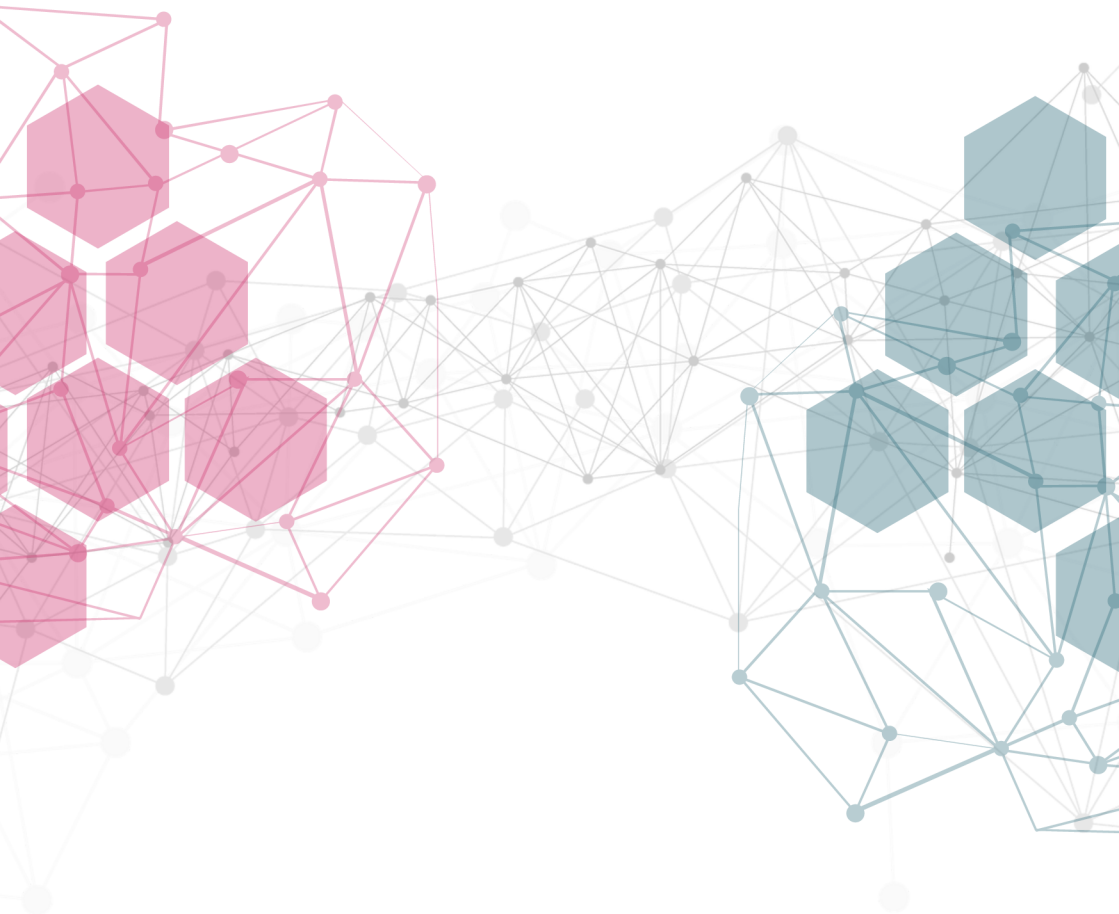

ALSO AVAILABLE FOR PRIVATE LABELING

Would you be interested in becoming one of our **business partners**?
Do not hesitate to contact us!
