MADE IN FLORENCE

FALL WINTER 2022-2023  
COLLECTION  
BY SAPAF  
ATELIER 1954

The new FW23 collection by SapafAtelier1954 comes from the perfect mix between the deep shades of the snowy mountains, with the warmth of the colors of the Autumn undergrowth. All of this creates a unique and sophisticated color palette in which we find our collections of Class and Timeless.

# CLASS

A nuance of colors that flawlessly embody the deepest winter of the snowy mountains. A perfect combination of suede and glossy patent leather offers plays of light from Deep-Blue to Ice-Gray, everything is embellished with the iconic metal accessory that has always characterized the bags of Class collection.

S. PAI

Soft and deconstructed bags made entirely of suede leather with nuances of colors that recall the warmth of the autumn foliage, from the intense Brown of the trees to the Ruby Red and from the Deep-Green to the Cobalt Blue of the sky.
