ERGONOMIC PRODUCTS

We are certified by **Ergocert, the ergonomics usability and research body**, for some **35 of our models**. This attests to the conformity of our models to the highest ergonomic and usability standards, demonstrating their safety and effectiveness.

COLOURS AND CUSTOMER NEEDS

ENVIRONMENT & SUSTAINABILITY MUTUAL BENEFIT

Piaval

Hospitals

In clinics and hospitals, the modern concept of “humanising” care can be expressed through the furniture choices. Piaval’s models have been studied down to the finest detail to guarantee absolute safety, hygiene, usability and ergonomics.

Piaval

Piaval

Hospitality Houses

Comforts have the power to rebalance those caring for a loved one and staying in a facility for relatives. Piaval products contribute to creating a welcoming environment and guarantee absolute comfort, in a wide range of different looks.

Piaval

Residential Homes

In a retirement home, it is important that the environment is both welcoming and manageable, but also functional and responsive to the needs of the elderly. To accompany every model, Piaval provides a wide range of accessories, to ensure a professional solution for any request.

Home Care

For those with permanent or temporary motory difficulties, such as the elderly, home is the place in which you can move around safely and autonomously. Piaval collections are highly flexible, functional, and available in many upholstery options, colours and finishes.
