FONTE SAN GRAZIANO

# Natural Mineral Water

### HEART OF THE ALPS

*From the pristine mountain ranges  
around Lake Como.*

### A REMARKABLE JOURNEY

*Slowly flowing through deep glacial  
rocks for 65 years, it is naturally  
protected on its journey to the spring.*

### NATURALLY ALKALINE

*An amazing mineral balance perfected by  
nature, for a unique and velvety taste.*

*An extraordinary  
Adventure!*
